## 7th Sense

High Octane Action/Science Fiction Thriller

*Logline: A kick-ass A.I. psychic Terminator with a gun. A beautiful and tough female Navy Seal has unknowingly been turned into a PSYCHIC TERMINATOR with a high-tech A.I. biological warfare brain implant.*

### -Summary-

“7th Sense” is a smart, Action/Sci-fi Thriller (full length feature film series) about one of the first Female US Navy Seals, Alia Stevenson. In an attempt to create the perfect spy, an underground trillionaire global group “The Organization”, has Alia implanted with a high-tech A.I. biological warfare stimulant, which activates her brain’s ability to have computer-perfect memory. But the brain implant did more than expected... giving her full access to more than 7 senses... with the psychic ability to see glimpses into the future as well as visual teleportation. Making her... *A kick-ass A.I. psychic Terminator with a gun.* The Organization that created her A.I. brain implant is a secret group of pharmaceutical, and tech companies that profit by controlling the world’s movements, governments, and financials, by Global Insider Trading and War. They will stop at nothing to get what they want or need, including using cutting edge pharmaceutical warfare, bribery, blackmail and murder. Alia soon discovers that she is a “loose-end” and now must fight for her life, the lives of her family and friends as she is pursued by a deadly team of mercenaries, guided by their sadistic leader with the horrifying ability to reanimate over and over again.

*“I served in all commissioned ranks from Second Lieutenant to Major-General. And during that period, I spent most of my time being a high-class muscle-man for Big Business, for Wall Street and for the Bankers. In short, I was a racketeer, a gangster for capitalism.”*

*— Major General Smedley Darlington Butler (July 30, 1881 – June 21, 1940)*

*Smedley Darlington Butler, was a United States Marine Corps major general, the highest rank authorized at that time, and at the time of his death the most decorated Marine in U.S. history.*
